Busiest of all the European sex-symbols, the Algiers-born Edwige makes on the average, six movies a year—in Rome, Munich, Paris and Madrid. Her wardrobe bill wouldn't keep Liz Taylor in crisps! Popular over here via *Sexy Susan Rides Again*, *Sex Is A Pleasure*, *House of Pleasure*, the Fenech filmography includes such titles to come as *Madame Bovary*, *Top Sensation* and *The Strange Vice of Mrs. Ward*. 'I want to come to London', she tells us from Rome. She'd be very, but very, welcome!

on his ears to hold him in place, burying his nose and mouth so deeply he was smothered. "Work harder," she told him. "Do a good job or I'll put your head in a harness that will keep you there all night long." Mirandy held her as she shook with arousal. Ivette's pleasure peaked. "I want him next," said Mirandy. "But I see that he's fainted. No matter. I'll use the major and try this one later. We'll have YEARS to enjoy them both."

in his 35mm. camera. He improvised a field darkroom by taking one of the girls' billowy half-slips tying a knot in the top, ducking inside and unjamming his camera.

Other jamming involved brakes as male motorists paused to ogle the boondocks boudoir on the side of the highway. The girls finally had to put the trailer flap up to avoid a traffic pile-up. The "Soft Shoulders" sign didn't help.

After they had eaten they began to tease the defenseless man with their bodies. His face got wedged between the pair of naked bottoms and held there until he smothered. When he was breathing again they went on with their chatting about how much fun it would be to torture him day after day. "Of course," said Mirandy, "maybe we wouldn't want to do that if he tried EXTREMELY hard to please us. For instance, by kissing our lovely asses."

DAZZLING DUET

Who says opposites don't attract? Here are two tootsies different as day and night—and yet we defy you to say that either one fails to attract. While Rhoda Willard, the fearless femme on the left, is dark and dominant, Anne Howe, the breathtaking blonde on the right, is dazzling, yet delightfully demure.

GIOVANNA RALLI, faccia impavida del cinema italiano, così vede Tognazzi: « Per fortuna Ugo non lo sa, ma attualmente è il migliore di tutti ». Migliore anche di Sordi, Manfredi, Trintignant, Piccoli? « Be', sì ».

Un'altra « star », Elsa Martinelli, che ha girato alternativamente sui set di Pinewood e di Cinecittà, non è meno esplicita nella sua ammirazione per Ugo il Grande, il sultano di Cremona.

« Non sbaglia un film. È calibrato, vero: e ha uno spessore insieme comico e tragico... Ricordo una sua piccola parte, nella quale lui faceva *(continua a pagina 46)*

"What's the matter Squirt?" said Ivette as she picked him up by his nipples. "You seem to have forgotten all about that precious information you wanted." "So has this one," Mirandy told her. She pawed the general and gave him obscene kisses. "All the little bastard can think about is my body. He'd better be careful or I'll smother him under it. I think I'll take his mind off sex for a while." Her viselike hand closed on his genitals and squeezed mercilessly.
